

**HiWATE**  
**WP Discussions**  
**22 February 2010**  
**London**

Imperial College London 170 Queen's Gate, London, SW7 5HF

170 Queen's Gate	Programme - Day 1	Speakers
09.00 - 09.15	Welcome	Mark Nieuwenhuisen, <i>Project Coordinator</i>
09.15 - 09.45	WP 1 DBP measurements	TBA, <i>Stuart Krasner,</i> <i>Metropolitan Water District</i> <i>of Southern California</i>
09.45 - 10.15	WP 2 DBP modelling	James Bennett, <i>IMPERIAL</i>
10.15 - 11.00	WP 3 Still birth, birth weight and congenital anomalies	Gabriella Aggazotti, <i>UNIMORE &amp;</i> Mireille Toledano, <i>IMPERIAL</i>
11.00 - 11.30	Refreshment break	
11.30 - 12.00	WP 4 Birth cohorts	Manolis Kogevinas, <i>UoC</i>
12.00 - 12.30	WP 5 Semen quality	Nina Iszatt, <i>IMPERIAL</i>
12.30 - 13.00	WP 6 Bladder cancer re-analysis	Sylvaine Cordier, <i>INSERM</i>
13.00 - 14.00	Lunch	
14.00 - 14.30	WP 7 Colon cancer study	Cristina Villanueva, <i>FIMIM</i>
14.30 - 15.15	WP 8 Risk assessment	Päivi Meriläinen, <i>THL</i>
15.15 - 15.45	Refreshment break	
15.45 - 16.15	WP 9 Technologies	Radu Rautiu, <i>ICON</i>
16.15 - 16.45	WP 10 Review and Policy implications	Mireille Toledano, <i>IMPERIAL</i>
16.45 - 17.30	General discussion	
19.00	Dinner	

**HiWATE  
OPEN DAY  
23 February 2010  
London**

NATURAL HISTORY MUSEUM, CROMWELL ROAD, LONDON, SW7 5BD

Flett Theatre	Programme - Open Day	Speakers
08:45 - 09:00	<b>Registration</b> <i>Flett Foyer</i>	
09:00 - 09:15	<b>Welcome &amp; Introduction</b>  <i>Chair: Howard Weinberg, UNC, USA</i>	Mark Nieuwenhuijsen, <i>Project Coordinator</i>
09:15 - 09:55	Emerging DBPs	Susan Richardson, <i>U.S EPA</i>
09:55 - 10:35	DBP occurrence and formation	Stuart Krasner, <i>Metropolitan Water District of Southern California</i>
10:35 - 11:05	<b>Refreshment break</b> <i>Flett Foyer</i>  <i>Chair: tba</i>	
11:05 - 11:45	Mammalian cell toxicology of emerging DBPs.	Michael Plewa, <i>University of Illinois (U.S.A.)</i>
11:45- 12:25	Mechanisms of toxicity and mixture effects	Jane Ellen Simmons, <i>U.S EPA</i>
12:25 - 13:30	<b>Lunch</b> <i>Flett Foyer</i>  <i>Chair: Gabriella Aggazzotti, UNIMORE</i>	
13:30 - 14:10	The epidemiology of DBPs and still birth	Mireille Toledano, <i>IMPERIAL</i>
14:10 - 14:50	The epidemiology of DBPs and prematurity and birth weight	Manolis Kogevinas, <i>UoC</i>
14:50 - 15:20	<b>Refreshment break</b> <i>Flett Foyer</i>  <i>Chair: Sylvaine Cordier, INSERM</i>	
15:20 - 16:00	The epidemiology of DBPs and colon cancer	Cristina Villanueva, <i>FIMIM</i>
16:00 - 16:40	Risk benefit assessment of microbial contamination and DBPs	Päivi Meriläinen, <i>THL</i>
16:40 - 17:00	Wrap up discussion	
17:00	<b>Drinks reception</b> <i>Flett Foyer</i>	
19:00	<b>Dinner (Consortium &amp; SAB members)</b> <i>170 Queen's Gate</i>	

HiWATE is Sponsored by the European Commission and is a Specific Targeted Research Project (STREP) funded under the EU Sixth Framework Programme for Research and Technological Development (FP6)

**HiWATE**  
**Implications & Recommendations**  
**24 February 2010**  
**London**

Imperial College London 170 Queen's Gate, London, SW7 5HF

170 Queen's Gate	Programme - Day 3	Speakers
09.00 - 09.30	Recap of the previous days	Mark Nieuwenhuijsen, <i>Project Coordinator</i>
09.30 - 10.30	Findings, Implications and Recommendations for DBP occurrence research - What do we know so far? - What implications does it have? - What should be further investigated? - What would be good DBP markers for epidemiological studies and risk assessment studies?	Discussion leader: Stuart Krasner, <i>Metropolitan Water District of Southern California</i> Rapporteur: Pannu Rantakokko, <i>THL</i>
10.30 - 11.00	Refreshment break	
11.00 - 12.00	Findings, Implications and Recommendations for DBP reproductive epidemiology research - What do we know so far? - What implications does it have? - How do the epidemiological and toxicological data and outcomes compare? - What should be further investigated?	Discussion leader: Manolis Kogevinas, <i>UoC</i> Rapporteur: Gabriella Aggazotti, <i>UNIMORE</i>
12.00 - 13.00	Findings, Implications and Recommendations for DBP cancer epidemiology research - What do we know so far? - What implications does it have? - How do the epidemiological and toxicological data and outcomes compare? - What should be further investigated?	Discussion leader: Ken Cantor, <i>NIH</i> Rapporteur: Sylvaine Cordier, <i>INSERM</i>
13.00 - 14.00	Lunch	
14.00 - 15.00	Risk assessment, management and policy - How should risk assessment and management proceed? - What further data are needed? - What are the policy implications?	Discussion leader: Mark Nieuwenhuijsen, <i>Project Coordinator</i> Rapporteur: Päivi Meriläinen, <i>THL</i>
15.00 - 15.30	Refreshment break	
15.30 - 16.30	Consortium meeting (Consortium only)	
16.30 - 17.30	RPC meeting (RPC members only)	
19.00	Dinner, tba
